

Understanding Dementia

and lessening its impact for those who care
- in any sense

Do you work with people living with dementia?

Course fee includes
e-handouts, a completion
certificate and a hard copy
of our 32-page booklet by
Shirley Pearce BSc (Hons)
Occupational Therapy
MRCOT.

Shirley has extensive
experience of working with
people living with dementia
and their carers, both at
home and in community
and residential settings,
and her methods are
evidence-based.

Twyford-based charity Understanding Dementia delivers
interactive online training for Health and Care Professionals
that you can join from anywhere with internet access.
Our approach can be used whether you are supporting
just one or many people living with dementia, in a
care home, within their own home or in any other setting.
